Remarks

Charming Northridge Villa! This single-level, 2-bedroom, 2-bath home features an inviting open floor plan filled with natural light. The well-equipped kitchen includes a gas range, dishwasher, and raised breakfast bar. A washer and dryer are conveniently included. The spacious primary suite boasts a walk-in closet and a custom walk-in shower, while the guest bedroom offers its own walk-in shower and direct access to the guest bath. Enjoy outdoor living on the covered patio and in the low-maintenance, corner backyard. The two-car garage provides ample space for parking and extra storage.
